

Imperial CEO Sweet Sweet Love Chapter 116 To 120

Chapter 116

Su An'an lazily returned to mujinyu, "such a good man is still left to Su Zihan."

Su Zihan stares at Su An'an's smile. Her eyes are full of anger.

She couldn't hear su'an's sarcasm, and she couldn't see Mu Jinyu staring at su'an obsessed.

Even so, Su an played tricks to seduce Mu Jinyu.

"Zihan, go ahead." Jiang Mei said.

The master of ceremonies came out to urge Su Zihan and Mu Jinyu. Su Zihan bit his teeth. He was very reluctant, but he said he went in.

Mujinyu followed in. He went to su'an and took a look. He followed in.

Seeing them go in and get married, su'an thought to herself, if you don't want to call Uncle Chen to pick him up, the wedding would be boring.

"Dear reporters, today is my daughter's wedding day. Please don't Scribble." When su'an thought about it, Jiang Mei said with a smile to the reporters.

What she said didn't do any harm to suan'an, but looking at the smile on her face, she knew that the latter words were aimed at her.

If it is true, Jiang Mei continues, "An'an is young and ignorant, seducing her brother-in-law. Last time she hurt Zihan's small property, but it's all about the Su family. You still don't want to write it out."

They all said things so plainly, but they didn't ask people to write them out.

Jiang Mei's speech is better than Su Zihan's, waiting for Su an to make headlines tomorrow, she will definitely say, I told reporters not to write it out, how could they still write it?

Su An'an looks at Jiang Mei with a smile. Jiang Mei looks back and smiles at her with cold eyes.

"Ann, are you still in?"

When she asked, Suan had not answered, and a voice came in.

"You'd better not scribble, or Mr. Gu will be angry."

According to the voice, Uncle Chen came to the front from the crowd.

Su An'an sees Uncle Chen laughing. Just now, Uncle Chen said to stop and let her go first.

"Mr. Gu?" The media reporters will pay attention to the key points and look at Uncle Chen one after another, "our husband is Gu Mocheng."

With that, Uncle Chen went to su'an and said, "madam, let's go in and watch the ceremony."

"There's a gift, you haven't received it yet," he said

Uncle Chen's appearance, a "Mr. Gu", a "madam", very clearly told the

people around, su'an is Gu Mocheng's wife.

They have never heard of this matter. They want to go forward and ask questions, but they don't dare to go forward and ask more questions.

Jiang Mei recognizes Uncle Chen. Last time, Uncle Chen brought people to Su's house. She still remembers that she slapped Su Zihan ten times. This tone has been pressed on her chest.

She thought of her mother and old lady Jiang came to the wedding. It's better to tell Ann before the old lady now.

Thinking about it, Jiang Mei went in.

At the wedding site, the emcee praised mujinyu and suzihan on the stage. She said something about Jintongyunv. Suzihan suppressed her anger and showed a smile to hold mujinyu tightly. She was afraid that mujinyu would run to su'an.

Mujinyu said in her mouth that she would go with Su An'an. In fact, how could she do something that would disgrace the Mu family. He just wanted to cheat Su An'an and himself. As for the marriage with Su Zihan, it helped him win the power of the Mu family. How could he abandon Su Zihan, who has Jiang's background, and go to find Su an who has a relationship with other men to get married.

Jiang Mei goes to the old lady Jiang, and the old lady of Jiang's family looks at her. Her fierce eyes are staring at Jiang Mei.

"Ma, suan'an is here, but Gu Mocheng's people follow her."

"No matter what method you use, tie me to Jiang's house." The old lady

snapped.

Jiang Mei originally came here to take advantage of old lady Jiang's hand to deal with Su An'an. It's not to let her offend Gu Mocheng.

"Mom, Su Hua recently asked Gu Mocheng for help. If I offended Gu Mocheng, Su Hua would not be happy.

"That's your business," said the old lady

Her baby grandson was hurt by Suan, how could she make Suan feel better.

When Jiang Mei wanted to say more, suddenly the party was noisy. She was very keen to hear Su Zihan's scream in the noisy party.

"Come on, come on, close this video."

"Who asked you to broadcast this video!"

www.onlinefreenovels.com

Jiang Mei looks up. When she sees the contents of the video on the big screen, the whole person is stunned. Then she looks at the shocked faces of the MOJIN couple, and knows that something is wrong.

Su'an didn't immediately follow Jiang Mei in. Chen Shu said that Gu Mocheng asked her to call her.

When she came in, she wore a dress and gave her cell phone to Uncle Chen.

"Husband." As soon as su'an heard the voice, he cried happily.

"You come to pick me up?"

When she heard that Gu Mocheng said it, she was surprised and said, "you don't mean to be busy." "Busy, wait for me in the lobby in ten minutes."

"Grace." Suan continued to answer.

Now she wants to go to the lobby and wait for Gu Mocheng. She has waited for ten minutes.

When Su an gave his cell phone to Uncle Chen, he heard the noise in the banquet hall.

She looked at Uncle Chen, who smiled, "Madam will not go in."

Su an an has a premonition that the noise inside is related to Gu Mocheng. She goes in and stands at the door and clearly sees the video on the big screen.

The video is playing repeatedly and circularly, very short content.

From Su Zihan to beat su'an, and then to Su Zihan's own fall is ten seconds.

But this scene is constantly playing, for fear that others don't know that Su Zihan fell down.

When Su Zihan saw this video, she had already collapsed. Regardless of her image, she rushed to the stage while shouting.

"Turn it off. Turn it off now."

She shouted, and it's too late for Jiang Mei to rush out and stop her.

The two of them told anyone about Su Zihan's last wrestling at the Mu

Laozi's birthday feast, and they both insisted that Su An'an should be pushed.

Now this video is completely to hit their own face, where is su'an to push, it is clear that Su Zihan himself to hit su'an, because did not stand firm just hard to fall to the ground.

This is the truth.

Suan looked, not much. Wronged by their people, she has nothing to be sad about, as long as they care about, like to believe her enough.

Su An'an turns around to leave. Uncle Chen says, "madam, there is another video."

"Yes?" Su an an turns to look at Uncle Chen.

"Sir." "Uncle Chen said with a smile," Sir said, although things have passed, but still have to return the wife a innocence. "

www.onlinefreenovels.com

To return her innocence? Last time Mrs. Gu came to Mu's house to testify for her, didn't she already return it?

However, Su An'an guessed that Su Zihan knew the relationship between old lady Gu and herself, and they would surely think it was a perjury that Gu Mocheng had found, and arranged how she and Gu Mocheng oppressed them in front of the Mu family.

Su An'an really doesn't care what the Mu family thinks of herself? She won't be sad for the irrelevant.

Anyway, Gu Mocheng said that she was innocent now, and she was very happy to hear that.

"Bastard, who asked you to release this video?"

When Su an and Chen Shu were talking, Su Zihan had rushed to the stage. In front of all the guests, she slapped the assistant standing by the computer.

One slap stunned everyone, especially the MOJIN couple.

Chapter 117

The ruthlessness in Su Zihan's eyes makes them think that it's like a new person, how could she be their gentle and generous daughter-in-law.

Mu Laozi saw Su Zihan as a human being. He was not surprised to see the video on the screen. Then he saw Su Zihan slapping skillfully. He just frowned slightly and said nothing.

This marriage was chosen by MOJIN for his son. It has nothing to do with him.

There is also Mu Jinyu, who quarreled with Su Zihan, but did not see another expression on Su Zihan's face.

How to say, a gentle girl suddenly turns into a shrew. Everyone feels cheated.

"Purple Han." Su Hua said quietly with a calm face. Su Zihan's behavior made him feel ashamed.

Jiang Mei sees Su Zihan Chong go on stage to hit people. She runs up in a hurry. She doesn't look at her for a while, and her daughter's temper comes up. She has to stop her quickly. How can we get angry and hit people when so many guests are there?

After su Zihan finished fighting, he pressed desperately in front of the computer to turn off the video playing on the big screen.

But she pressed it for a long time, and the video was still circulating.

Inside her voice, she was impatient. As soon as she saw that she had hit su'an, she wanted to get angry.

The video suddenly stops and the big screen goes black. Su Zihan thought that this was the end of the matter, and a picture jumped out again.

The protagonist is no longer Su Zihan, but a doctor in a white gown.

Su Zihan didn't recognize who it was, but Jiang Mei did.

The logo features a blue stylized open book icon above the text 'Online FREE Novels'. 'Online' is in blue, 'FREE' is in red, and 'Novels' is in green.

The doctor was paid by her check to let him say that Su Zihan had been pushed by Su An'an.

What's going on now?

Why is he in the video!

Because the doctor, even Jiang Mei can't calm down, she stepped on the pointed high-heeled shoes and rushed to the stage, "Zihan, hurry up, close the video."

"No, unplug the computer."

As she spoke, Jiang Mei walked in a hurry, didn't see the ground clearly, and tripped over the wires on the ground.

Her people fell to the ground. As the mother of today's bride, Jiang Mei was dressed in a gorgeous red cheongsam, which was still a sexy cheongsam showing most of her thighs.

When Su Hua saw this, his face was even more livid.

What did the mother and daughter do? They lost his face.

Su Hua is the only one who feels embarrassed. There are Mu Jin and his wife, Mu Jinyu and old lady Jiang.

Su Zihan looks at Jiang Mei, who falls on the ground, and quickly crouches for power.

The doctor in the video is already talking.

"Mrs. and Miss Su, here is 200000 yuan. As a doctor, I can't take your money without conscience."

As he spoke, Su Zihan unplugged the power supply, and then the video screen went black.

Seeing that there was no picture in the video after the power was cut off, Jiang Mei, who got up from the ground, breathed a sigh of relief. Su Zihan panted and smiled.

Jiang Mei got up from the ground and pretended to be calm. She looked at her eyes in a different way. She straightened her cheongsam and went up straight.

"Ladies and gentlemen, I'm sorry to have a little episode before."

Is it an episode?

The bride pulled the skirt of her wedding dress and ran directly to the stage, slapping the assistant.

In order to stop the video to be played, the bride's mother tripped and fell out of her pants.

Even a fool can see that this is not a small thing.

The present guests talked about it one after another. They wanted to continue watching the doctor's video. They thought that the doctor's words in the video must be very strong.

For the sake of face, mujin calmly beckoned mujinyu to go to the stage. The wedding ceremony had not yet begun, but mujinyu and Su Zihan had already obtained the certificate. With the presence of old lady Jiang, the wedding could only continue.

Mu Jinyu looks at Su Zihan with her delicate makeup again, and suddenly she doesn't like her at all.

Before that, he went to Su An'an and got married with Su Zihan. Frankly, he wanted to eat both sides.

Just now, seeing Su Zihan's ferocious face, he suddenly got tired of her.

This marriage, however, has to be.

"Brother in law, go to the stage and find sister Zihan."

Standing behind mujinyu is Su ya, Su Ya is Su Zihan's bridesmaid. No matter the quarrel between Su Zihan and Su An'an, or the current video, she can see it in her eyes.

Su Zihan doesn't want her to be her bridesmaid, but aunt Su moves out of the old woman of the Su family, who directly puts pressure on Su Hua.

Su yapour is also smart. She knows how to be her bridesmaid and doesn't dress very well.

However, in Su Zihan's eyes, Su Ya can't be more beautiful than herself, so she is given a chance to follow her behind. Mujinyu looks at Su Ya behind her eyes and reluctantly holds the flowers.

"As the mother of the bride, I'm sorry for the emergency." Jiang Mei stood on the stage. She took the microphone in the master's hand and said with an elegant smile.

"Zihan's daughter has always been obedient and clever. She hopes to marry a man she likes. But some time ago, because of emotional problems, she was harmed by others

Jiang Mei lies with her eyes open and pushes the responsibility on su'an.

Although there is no name, the dispute between Su An'an and Su Zihan has been widely reported by the media before, although later it was blacked by Xiao Yan.

However, things still spread quickly, saying that the two men of the Su family fought for a man.

"Seeing is not necessarily believing." Jiang Mei said that she found Su An'an,

who was sitting at the end of the table. "Some people come to do whatever they want to do in order to avenge Zihan."

Su'an listens to Jiang Mei's right and wrong, and smiles with disapproval. If Gu Mocheng didn't let her wait here, she would have left early.

As soon as she had finished, the big screen suddenly lit up again.

Walking to the stage, Mu Jinyu slows down. He looks up at the picture again.

When Jiang Mei heard the voice, she turned around and was still the doctor.

"Zihan, unplug the power."

Su Zihan wonders, she has just unplugged the power of the computer, what's the matter?

Jiang Mei used to see that the plug of the computer was unplugged. She looked around anxiously, and the people below were boiling with the doctor's words.

"As a doctor, I can't take your money without conscience, so I have something to tell them here."

The doctor didn't say it at once, but paused.

Su Zihan and Jiang Meiji are like ants on a hot pot. They know what to say behind the doctor.

That's enough for them to finish!

"Zihan, the main power supply, hurry up, the main power supply."

As she said this, Jiang Mei saw the power switch at the back. She connected to it. She wanted to turn off the picture when the doctor told the truth.

"Last time Miss Su Zihan was sent to the hospital because of wrestling. After my examination, Miss Su Zihan had no other condition except bruise, skin and blood after wrestling."

"In the subsequent examination, I found that Miss Su Zihan was pregnant."

With the doctor's words, Jiang Mei successfully turned off the main power switch.

Seeing the whole banquet hall turning black, Jiang Mei smiled.

Chapter 118

Her smile didn't last for two seconds because the doctor's words continued behind her.

"But Miss Su Zihan didn't expect that from the child."

Jiang Mei looks at the doctor in the screen behind her, watching his mouth move one by one, and the whole person stands stupidly.

It's over. Her next life is over.

Standing in front of the main power switch, Su Zihan saw the video that had not been turned off by himself, and was stupid.

She didn't turn off the main switch. Why is the video still playing!

"Come on, close it." She followed with a shrill voice, which she did not know

to whom.

Then no one paid attention to Su Zihan's words. The whole banquet hall became quiet when the doctor spoke. Everyone held their breath and stared at the big screen.

"Miss Su Zihan's fall didn't cause her child to have a miscarriage, just a little blood. If she takes good care of her child, there won't be much problem."

Hearing the doctor's words, Madame Mu tightened her clothes.

"I heard the conversation between Mrs. Su and Miss Su Zihan. Miss Su Zihan felt that her body and appearance would change after giving birth to her child. She was determined not to have this child."

"Madame Su said to Miss Su Zihan that without this child she could not marry to the Mu family. But Miss Su Zihan firmly does not want this child, saying that everything must be destroyed. "

"There is no way. Mrs. Su can only agree. They are afraid to kill the child and influence Miss Su Zihan to marry into Mu's family, so they say that they will put the matter on a person named su'an. "

The doctor said, making it clear.

"Later, Mrs. Su came to me, and she gave me 200000 yuan to kill the child."

When they heard this, the quiet banquet hall was noisy, and the guests began to talk with each other again.

"She asked me to tell the people outside that the child in Miss Su Zihan's stomach had fallen."

God, it turns out that Su Zihan's child was not pushed by su'an, but was thrown away by Su Zihan himself. Madame Mu and MOJIN looked at each other, shocked and unable to believe the news.

In order to maintain their body shape, someone killed the child mercilessly. This person is their daughter-in-law chosen by thousands of people.

Madame Mu felt that her head began to faint. When she heard that Su Zihan was pregnant with Jin Yu's child, she was so eager and happy.

Later, knowing that the child was pushed by Suan, he angrily wanted to send Suan to the police station and let her pay for her loss of grandchildren.

Where to think, it's su Zihan who doesn't want it.

What daughter-in-law does she choose for Jinyu! How vicious!

Mrs. Mu holds her head. There is no need to continue the wedding till now.

After the doctor said what he had to say, the video went dark, and then the lights of the banquet hall lit up again.

Jiang Mei on the stage responded and said to the following guests, "don't listen to what people say in the video."

"Don't believe it."

Because of her heart failure, she lost her usual composure, her hands were shaking, even her voice was shaking.

Jiang Mei looks at Su Hua under her eyes. Su Hua's face is cold and calm. She doesn't come out to say anything for her. When she came back to Su's

house, she had to be questioned by Su Hua.

Now the most important thing is Zihan.

When she thought about Su Zihan, there was a cold voice of Mu Jinyu behind her. Su Zihan was singing with pain.

"Su Zihan, you are cruel!"

After watching the doctor's video, Mu Jinyu came to Su Zihan's side after the light was turned on. He had a gloomy face. He should have slapped Su Zihan, but his hand was hurt and could not be lifted.

So, he went to Su Zihan, and no matter how many guests were present, he kicked Su Zihan directly.

It's all caused by Su Zihan. If it wasn't for her, she would not be separated from su'an.

Su Zihan didn't expect that mujinyu would dare to beat her in front of so many people. Mujinyu chased her first. Mujinyu once vowed to be good to her in this life.

What's the matter now!

She was kicked in the stomach and the pain made her cry.

"Mujinyu, you hit me." Su Zihan gets angry and goes to fight against Mu Jinyu regardless of the fact.

Mujinyu is a man who has broken his hand. How can he be the opponent of Su Zihan.

He was hit by Su Zihan and retreated back and forth. When he retreated, he fell to the ground carelessly.

It's wrong that I didn't have all my hands.

He was in a cold sweat and stared angrily at Su Zihan. "You bitch, I want to divorce you."

The scene is really a mess. The story is so wonderful that no guests want to get up and leave.

They want to see, the bride and groom fight each other, their family is not to fight.

How could journalists who were called in by Mu's family have missed such a great opportunity to take pictures with cameras. Su Zihan and Jiang Mei's expression, Mu Jinyu falls to the ground and looks embarrassed, which is well received by them into the camera.

When they came, they were told that they had to take enough photos today to go back and write a story.

Madame Mu saw that her son fell and broke his hand. She stood up and walked over with heartache. MOJIN looks at the old man beside him and wants him to appease this matter.

The old man closed his eyes and ignored him. And MOJIN's younger brother giggled, "Jin Yu married a good daughter-in-law."

This daughter-in-law is really good. For her own beauty, she beat the Mu family's seeds mercilessly and framed others.

MOJIN is afraid of making a big deal. Follow Mrs. MOJIN.

So far, we can't go on. As for the divorce between mu Jinyu and Su Zihan, we have to say later.

"Send Jin Yu to the hospital." MOJIN said to Madame moo.

Madame Mu used to hold up Mu Jinyu, who had been held up by others. Looking at her pale face, she was very distressed.

"My mother, let Zihan go with Jinyu." Jiang Mei opens her mouth and says that Madame Mu is calm and looks at Jiang Mei coldly.

Su Zihan is vicious. It's absolutely Jiang Meijiao's.

I've heard how Jiang Mei forced Suhua's ex-wife to death before. She doesn't think so. She thinks it's a rumor. After today's events, Madame Mu knows Jiang Mei's character.

"Don't worry, I'm afraid my son will be crippled by her."

Said Mrs. Mu accompanied Mu Jinyu out of the banquet hall.

Su Zihan clenched her fist and watched Mu Jinyu leave.

MOJIN came to the stage and said some routine words to make the guests eat and drink well.

One of the guests asked with a smile, "Mr. mu, do you have to do this wedding? The bridegroom is in the hospital. "

After that, the audience burst into laughter.

MOJIN's face lost its luster. He walked off the stage without speaking.

But where the guests have the mind to eat, they are talking about Su Zihan and Mu Jinyu.

Su Zihan was pointed and talked about, she clenched her fist, never met today's scene. Why did the doctor come out and talk about her?

It must have been su'an's fault. When she thought about it, she looked for su'an in her position just now. However, she found that su'an was no longer there. "

Su'an got up and left after the doctor said that. The reason for leaving was simple. Gu said he would be in the lobby in ten minutes.

She has to go downstairs to find Gu Mocheng.

What kind of story will happen at the party? She will know it clearly through the Internet. There is no need to waste her own things there.

She followed Uncle Chen downstairs and stood in the lobby waiting for Gu Mocheng.

"Husband."

As soon as Gu Mocheng came in, suan'an saw him. There was no way. Her husband was good-looking and could attract women's attention at a glance.

Before she could walk, the general manager of the hotel hurried up to him.

"Sir, it's arranged."

Looking at the general manager of the hotel, su'an remembered that this hotel is Gu's.

No wonder he knows Gu Mocheng.

Gu Mocheng nodded his head toward them. When he came, he had asked the assistant to arrange everything. Uncle Chen was not worried about the wedding banquet.

Now I come here to eat with the little girl.

"Ann, come here." Gu said to suan'an, gesturing for her to go.

Su'an walked over with a smile. The general manager of the hotel looked at the young and beautiful su'an coming and praised him to Gu Mocheng.

"What a beautiful niece!"

But as soon as he said this, Gu Mocheng's face sank.

Su An'an was stunned and smiled.

Niece?

Ha ha, she is standing with Gu Mocheng. Not many people regard her as Gu Mocheng's niece.

Also, they are ten years apart. Even if Gu Mo grows up well, his age will still leave a mark on his face.

Gu Mocheng's face was cold, and the general manager of the hotel realized that he had said something wrong. Although Gu Mocheng is in his thirties, it's normal to find a little girlfriend.

"Sir, you are with my wife. I'll go home first." Standing behind su'an, Uncle Chen said to Gu Mocheng.

Ma'am? That's the right call.

The manager can climb to the present position, and the ability of observing words and expressions is indispensable. "Mrs. Gu is very beautiful."

"Well." Gu Fucheng responds and reaches for Su an's small hand.

"Hungry?" He asked softly.

Unconsciously speaking with suan'an, he will naturally soften his voice, even his eyes will become gentle.

Su'an was reminded by Gu Mocheng that she didn't eat anything tonight.

To attend the wedding banquet should have had a good meal, but today Mu Jinyu and Su Zihan's wedding ceremony, eating is not the key point, just watching the opera.

"How do you know I'm hungry?" Asked Suan.

This is Gu Mocheng's territory. Uncle Chen said that Gu Mocheng wanted her to be innocent, so the video of Su Zihan's fall and the video of the doctor were arranged in advance by Gu Mocheng.

Su Zihan and Jiang Mei cut off the power supply in the banquet hall, and the video on the screen continued.

Is this a gift from Gu Mocheng?

"Go to the second floor." Gu Mocheng smiled and led Su An'an's hand to go inside.

Su An'an's hand is held by his big hand. She is walking like drinking honey in her heart. She simply holds Gu Mocheng's arm in both hands, and then sticks her face to him.

This is a new feeling, anyway, her heart is filled with happiness.

Two people go to the direction of the stairs, Su an an saw the oncoming Mu Jinyu and Mu Madame.

Mu Jinyu's face is pale, because Su Zihan's fall is not light, and his hands are very painful. They saw Suan cuddling up to Gu Mocheng, stunned, and then went on.

Mu Jinyu thinks that it's not good to pester su'an. His hands hurt a lot.

Su An'an and Gu Mocheng did not stop because of Mu Jinyu. They went on, and the door of the elevator suddenly opened. Su Zihan, who was chasing Mu Jinyu, saw Su an for a moment.

Then her eyes fell on Gu Mocheng.

For Gu Mocheng, Su Zihan has never been seen. She only saw Gu Mocheng's back outside Su's last time.

When he saw Gu Mocheng's face, Su Zihan was stunned.

Su Zihan stares at Gu Mocheng and thinks that su'an is so lucky. The man he finds looks good, and a famous suit doesn't look shabby.

This man will never be Gu Mocheng. Gu Mocheng can't look so good! It must be Suan's lover outside.

Su An'an was shocked to see Su Zihan. She didn't think she would run out in her wedding dress.

She shouldn't have held the guests steady at the party. How could she have come out in disgrace?

"Su An'an, you are the bitch who did me harm."

Su Zihan thought of what happened at the party and immediately put everything on su'an's head.

"You said, did you put that video on? The doctor you went to? " Asked Su Zihan angrily.

Suan replied lightly, "isn't that the truth in the video? The doctor is also telling the truth. "

"Since it's a fact, Su Zihan, what are you angry about?"

Everything is Su Zihan's own sin. It's none other's business!

Obviously, Su Zihan is used to being arrogant and domineering, and doesn't

know about self reflection at all. It is su'an's mistake that leads to today's situation. She thought of the comments of the guests at the banquet, Mu Jinyu's "malice" and Su Hua's cold eyes, and Su Zihan was furious.

She rushed over and slapped Suan hard.

Suan didn't dodge. She didn't need to. Because she knows that the man around her is Gu Mocheng, who will protect her well.

Su Zihan's palm didn't fall on su'an's hand. She couldn't fight it at all.

When the palm falls, Gu Mocheng grabs her hand, then pushes it hard and falls down with a low voice.

Su Zihan is wearing a thick wedding dress. She always carries her skirt when she runs. The whole person is covered by layers of wedding dresses. It's hard to get up.

Where does Suya hear Jiang Mei call herself!

"Suya." Jiang Mei cries out, Su Zihan is wearing a wedding dress and she can't help her.

Su Ya returns to God, and she and Jiang Mei help Su Zihan up.

Su Zihan pours into Jiang Mei's arms and cries, "Mom, it's su an who did me harm, it's her who did me harm."

Jiang Mei dotes on her daughter very much. She also dotes on her daughter so much, which makes Su Zihan become arrogant and willful. She develops a selfishness.

"Suan." Jiang Mei looks at suan'an, she says a word in a sharp voice, and then her eyes fall on the man beside her.

"You again?"

This man, Jiang Mei met in the hospital last time.

Su An'an is really bold. She brings her lover to Gu's hotel.

Up to now, Jiang Mei and his colleagues have not thought that what happened at the banquet was promoted by Gu Mocheng.

He's going to return Suan a clean slate.

"Mom, don't let Suan go. Suan is such a bitch. She's done me a lot of harm. " Su Zihan cried.

"It's Suan who put those things at the party. She doesn't want me to get over it!" Su Zihan complains with Jiang Mei.

Chapter 120

No matter what the fact is, it's Suan who killed her.

After hearing su'an's words, Jiang Mei's eyes turned cold when she saw su'an.

"Su An'an, you are really afraid that the world will not be chaotic!"

When she said this, she thought of a way to wash away the stains on Su Zihan's body. "Su An'an, now go up with me and tell all the guests that you don't like Zihan, so you faked the video and bribed the doctor to frame Zihan."

Jiang Mei's method is really powerful. Su an pleads guilty on the spot. Coupled with Jiang Mei's mouth Kung Fu, the event at the party is made by Su an on purpose to envy Su Zihan.

"Auntie, the video is true, so is what the doctor said." Suan warned.

Want her to take the blame for Su Zihan, want more!

Jiang Mei is annoyed to see Su an say no.

She stared at suan'an hatefully and threatened, "An'an, don't forget the people of the Su family."

It was a cryptic remark, but Suan understood.

Su an has no choice but to threaten herself with her sister.

If she doesn't help Su Zihan, she will take out her sister's anger.

But now her man is Gu Mocheng. She doesn't want to be obedient to their threats.

"Tell Dad about it." Su An'an replied, Su Hua now asks for help from Mo Cheng. How could Jiang Ya make trouble with her sister?

Jiang Mei knows that Su Hua attaches great importance to Su An'an now. She can't take Su ruocheu's threats for granted.

However, the matter of Zihan has to be su an's confession.

Su'an really didn't want to talk to them. She pulled Gu Mocheng's clothes and said, "let's go, husband."

She should not be affected by Su Zihan and Jiang Mei.

Gu Mocheng looks at su'an and releases her hand.

I put out the truth of Su Zihan's fall to let them understand that An'an is not the person they can bully at will.

Unexpectedly, Su Zihan has not seen this clearly yet.

"You can't leave. What do you do if you leave Zihan?" Seeing that su'an is about to leave, Jiang Mei comes forward and holds su'an's hand.

Gu Mocheng looked at Jiang Mei with a calm face and said in a cold voice, "let go."

Jiang Mei is shocked. The man makes her afraid. She releases her hand inexplicably.

"I never hit a woman, but if you dare to deal with Suan again, I don't mind letting myself hit a woman." Gu Mocheng said in a cold voice.

The threat in his words was shaken by Su Zihan's inexplicable words. Then she thought that she was Miss Su's, the niece of old lady Jiang, and that this man was just the lover su'an wanted. He threatened himself?

Which onion is he!

"Su'an, you are shameless! For money with Mr. Gu, but also carrying Mr. Gu outside looking for men! "

"You are such a bitch, bitch!"

Gu Mocheng frowned at the dirty words. He said to the hotel manager behind him in a cold voice, "what are you doing! Throw me out of the hotel! "

Is the man in front of you just suan'an's lover?

No, it's not!

Because the hotel manager listened to the man and called in the security guard.

Su Zihan is followed by the security guard of the hotel. She struggles angrily, "what are you doing?"

"I am the daughter of the Su family. I am your guest."

However, Su Zihan yelled. The security guard didn't pay attention to her words at all. He put her man on the shelf and went to the door.

"You let me go. Let me go."

Su Zihan moves desperately. Her people lift the security guard off the ground. She kicks her feet desperately. These actions don't make the security guard put her people down.

She was in a hurry. She looked at Jiang Mei behind her and cried, "Mom, come and help me."

Jiang Mei sees her baby daughter being carried out by two security guards. She rushes up and grabs their clothes. She says angrily, "let go!"

"Let my daughter go!"

"If you touch my daughter again, the Su and Jiang families won't let you go."

If it's really a mother and daughter, Jiang Mei and Su Zihan are so similar.

When Jiang Mei was beating the security guard, she heard the voice of the man behind her.

"I said that if you bully my wife again, you will not only pay back twice!"

In a word, Jiang Mei stops.

She remembered that when Gu Mocheng's people came to Su's house to fight Zihan, they also said this.

She remembered that the original words left by Gu Mocheng's people before they left were: our husband said that this time they will pay back twice, and next time they will pay back 100 times.

The man who protects su'an is not su'an's lover, but the name that is about to come out makes Jiang Mei stay in the same place, instead of robbing Su Zihan with the security guard.

"Gu Mocheng." When Jiang Mei lost his mind, a sharp voice came in. Su'an Anshun looked with a voice, and an old lady came out of the elevator. She was about the same age as old lady Gu, but her eyes were full of ruthlessness, without the clarity of old lady Gu.

This is Jiang Mei's mother, old lady Jiang.

Su An'an met her once, at Su Zihan's 10th birthday party.

Old Mrs. Jiang has controlled the power of Jiang's family for many years. She has worked hard for many years, but she doesn't take care of the old lady's maintenance at all.

"Old lady Jiang." After many years of fighting with the Jiang family, Gu Mocheng called out, and the old lady's means were even more cruel than his.

Gu Mocheng doesn't like her, and old lady Gu hates her even more.

"Mo Cheng, buy me a face."

"My granddaughter has offended you. You don't have to throw it out of the hotel for the sake of Jiang's family." Old lady Jiang approached and said to Gu Mocheng.

She said, looking at suan'an behind Gu Mocheng.

Su An'an killed her grandson. Old lady Jiang must remember her.

"So many people look at it and save face for the Jiang family." Old lady Jiang said with a smile.

Because Su Zihan went downstairs, a reporter followed. Seeing that Su Zihan wanted to call su'an, they called their colleagues down.

Soon, there were many people in the lobby.

Gu looked at the smiling old lady Jiang. He paused and said, "OK."

He asked the hotel manager to release Su Zihan.

As soon as Su Zihan reached the ground, she turned around and ran towards su'an. She was really not afraid of death. Gu Mocheng saw that she was released for the sake of old lady Jiang, and she would make trouble again.

"He is Gu Mocheng!"

Su Zihan heard their conversation and said incredulously, "how could he be Gu Mocheng?"

"Gu Mocheng is ugly and old. How can he look so beautiful!"

"Su'an must have found a man from outside to pretend to be Gu Mocheng. You're a disgraceful little bitch. "

Su Zihan's Words listen to Gu Mocheng sink face, he regretted to give old lady Jiang some face, put Su Zihan to let go.

Before Gu Mocheng spoke, old lady Jiang approached Su Zihan.

"Grandma, you help me decide."

When she saw old lady Jiang, her tears came out. Before she could tell her grievance, she slapped the old lady in the face.

The old lady is used to beating people. Although she is old, she has a lot of strength.

"Unbridled!" Old lady Jiang snapped, and her slap made Su Zihan's face blue.

Does Su Zihan really want Gu Mocheng to throw her out of the hotel? After throwing away the hotel, it became the first bride ever thrown out by the hotel owner on the wedding day.

Shame, it's like losing the Jiang family's face.

"Grandma!" Su Zihan cried bitterly. She covered her painful cheek and cried, "he is a fake Gu Mocheng."
